A Board Member's Perspective on BTS

By: Dr. W. Douglas Haskew

BTS became an important part of my life after my military service as an Army Ranger, marriage to Neal, and conversion to Christianity through the preaching of Frank Barker and the ministry of Briarwood Church. I wanted to rapidly expand my understanding of the Bible and the Gospel, so I signed up for courses taught by Bill Hay, Frank Barker and other professor and pastors from local churches and seminaries. I was impressed with the quality of teaching and the availability of courses at night and on weekends. After several years of study, I received an M.A. in Religious Education degree. This allowed me, together with my finance degrees and related credentials, to serve as a financial advisor as a ministry, specifically through the lay pastor, counseling and seniors ministries at my church. Also, I have been blessed to serve on the BTS Board of Directors with my mentors for 30 years.

Dr. Haskew at the 2015 graduation Ceremony

As a Board member, I have seen BTS continue, in Birmingham and the extensions, the excellent teaching which I experienced many years ago. And now BTS has expanded all over the globe, working with Third Millennium Ministries and OneHundredFold to make sound theological training available to more than 2,000 students in English and Spanish in 114 countries, including Pakistan, Afghanistan, Cuba and China. The Lord has brought the world to our doorstep, so that BTS is making a significant impact on reaching the world for Christ. BTS truly is a regional seminary with a global impact! What a joy it is to serve in the leadership of this institution at this time of great ministry opportunity.

Editor's Note: Doug Haskew was awarded an honorary doctorate for his long-term service on the BTS Board at the BTS graduation ceremony held on May 15 of this year.

New Extension Campus Open in ANNISTON

In Anniston, Alabama, several churches have come together to form an extension of Birmingham Theological Seminary. Local pastors are establishing this local BTS training center to provide doctrinal training and practical instruction to equip Christian men and women to build the kingdom of God through the gospel.

Churches involved include Grace Fellowship, Redeemer Church, Hope Community Church, The Living Church, Christian Fellowship Bible Church, and Anniston Bible Church. Please pray that through this extension BTS will equip many new servants for the Lord's work.

If you have questions or are interested enrollment please call the seminary office at 205.776.5650.

Classes will meet at Anniston Bible Church

Announcing the Launch of the BTS Founders Fund

Glenn Waddell, President

It would be difficult to find two men who have been used by God to have a more profound impact on individuals, families and our community than BTS founders Dr. Frank Barker and Dr. Bill Hay. Through faithful evangelism, teaching, preaching and discipleship, they have led many to faith in Christ and equipped many more for Kingdom service. They stood firm for the truth of Scripture in the founding of the Presbyterian Church in America; they served faithfully for many years as founding pastors of Briarwood Presbyterian Church and Covenant Presbyterian Church; and they started or accelerated countless missionaries and ministries, including BTS.

The BTS Founders Fund has been established to honor the lives and ministries of these two servant leaders, to ensure the effectiveness and long-term viability of BTS, and to enable the Seminary to train even more students locally and globally.

As the opportunities for ministry have multiplied, BTS has stretched its financial and human resources ever further, all the while striving to balance faith and good stewardship. The Seminary will continue to practice good stewardship of the resources the Lord has entrusted to it. But with additional funding, BTS could accomplish much more, like offering classes in more locations throughout Alabama, educating thousands in Central and South America, and even launching its international online certificate program in Mandarin Chinese.

It is our prayer that the BTS Founders Fund will provide the resources needed to bridge the gap and enable BTS to equip thousands more to serve the church locally and globally.

Would you prayerfully consider contributing to the BTS Founders Fund?

Notice to Certificate Students

You may have noticed that certificate and masters degree students have been asked to satisfy the same academic requirements in each class. After much prayerful consideration, we have concluded that this policy should be changed. Beginning with the summer semester, we asked BTS professors to decrease the academic workload they place on certificate students. While classes will still be challenging and enriching for certificate students, we believe it appropriate to require more work from students pursuing a masters degree than from those pursuing a certificate.

Students who wish to have their certificate credits applied towards a masters degree in the future will need to advise the Seminary office and satisfy the higher "masters" standard for each class. Previously earned certificate credits already satisfy that standard and are so designated in the Seminary's records. Please contact the seminary office if you have any questions about this change.
